En lugares donde hace

mucho frío, la lluvia

se convierte en

nieve

El frío hace que el

agua de estanques,

fuentes y ríos

se convierta en hielo.

En invierno los días

son más cortos

y las noches

más largas.

Cuando hay mucha nieve
hay que retirarla de la
calle para no resbalar
y los coches poder pasar.

En invierno te
tienes que abrigar,

si no te quieres

resfriar.

En el bosque el oso
duerme día y noche
y la ardilla no sale de
su casa del árbol.

En invierno se celebra
la Navidad y ponemos
el árbol o el
portal de belén.

Hay una flor que
florece en invierno
se llama flor de pascua.
